## City and Guilds Qualification in Basic Lead Welding and Bossing Course

This course 5 day course is a City and Guilds qualification and approved and certified by the Lead Sheet Training Academy and is intended for anyone wishing to improve their knowledge, or gain further skills in Lead Welding and Bossing. The course is very much a hands-on learning experience with an emphasis on practical assessment and achievement throughout the length of the course. The course can be broken up and comprises of:

**LEAD WELDING** – 2.5 days lead welding and includes health and safety risks associated with lead, manual handling, hygiene and fume inhalation

**LEAD BOSSING** – 2.5 days lead bossing

Upon successful completion of the course, delegates will receive a certificate from City and Guilds or the Lead Sheet Training Academy. We are able to offer the lead welding and bossing separately if required. The course can be broken up as follows:

**COST** – minimum delegates 4 / maximum delegates 6

**5 DAYS** – lead welding & bossing £650.00 + VAT per delegate (City and Guilds qualification)

**2.5 DAYS** – 2.5 days lead welding £450 + VAT per delegate (LSTA accredited)

**2.5 DAYS** – 2.5 days lead bossing £250 + VAT per delegate (LSTA Accredited)

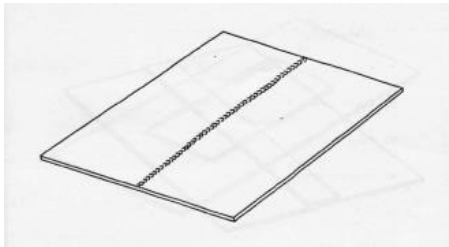

CITB MEMBERS: If these courses are delivered separately, both elements of the course are eligible for Tier 2, £70 completion grants from the CITB. If applicable, these will be claimed back by the SWRTG on successful completion of each module.
